They had a vehicle that matched what we were looking for. It was fine. Price was average compared to the market. The salesman was excellent, very helpful, easy to get hold of and quick to get back to us. The car we bought passed their 109-pt inspection but I don't know how thorough it really was. Even I could tell the front tires were badly worn and I'm not a car person. Still passed their inspection though. I replaced the front tires in the first week we had it. 2019 Jeep Grand Cherokee Limited review Hands down the best Jeep ever... would take it over the Santa Fe any day of the week... there's no comparison... performance is excellent... have 70,000 miles on a 2018 and a 2019... ac went out on one but warranty covered it At CARFAX, we collect events from the lives of millions of used cars from 20 European countries, as well as the USA and Canada. We can then create a vehicle history for every car in our database and make it available to you. The information helps you to check sales data, avoid expensive follow-up costs and negotiate a fair purchase price.
